## EXPERIENCE

- Innovation Co-Head | Entrepreneurship & Innovation Cell x SAKEC****Jul 2025 - Present**
  - Organized key innovation events, including workshops and challenges.
- Project Member | IEI SAKEC****Aug 2025 – Present**
  - Collaborated on Quantum Computing and AI projects, enhancing technical knowledge, problem-solving skills
- Android Development - 6 weeks Internship | DeveloperOnGo Pvt. Ltd.****Jun 2023 - Jul 2023**
  - Developed Android applications using Flutter Framework.
  - Certified Standard Android Developer.
- Java programming - 4 weeks Remote Internship | InternPe****Apr 2023**
  - Worked on Java-based projects, strengthening core programming skills.
  - Certified Standard Java Programmer (Credential ID: IPI#3473).

## EDUCATION

- Bachelor of Technology in Artificial Intelligence and Data Science.****Oct 2024 – Present**

Shah and Anchor Kutchhi Engineering College - Chembur, Mumbai

  - Pursuing Third Year
  - Scored 9.18 CGPA in all semesters till present
- Diploma in Electronics and Computer Engineering.****Sep 2021 – Aug 2024**

Father Agnel Polytechnic - Vashi, Navi Mumbai

  - Scored First Class Distinction

## SKILLS

- Leadership
  - Adaptability
  - Team-oriented
- Confident Speaker
  - Effective Time Management
  - Quick Learner

## TECHNICAL EXPOSURE

| Front-end Technologies   | Back-end Technologies             | Framework                                    | Database |
|--------------------------|-----------------------------------|----------------------------------------------|----------|
| Java-script   HTML   CSS | Python   JAVA   Android   C   C++ | React   Django   Flask   Flutter   Bubble.io | MySQL    |

## TECHNICAL CERTIFICATIONS

- IOT Understanding – Workshop****Jan 2024**
  - Gained hands-on experience with IoT-enabled smart devices and their applications.
  - Certified as a Standard IoT Specialist by PEL Electronics Pvt. Ltd.
- Crash Course on Python****Oct 2023**
  - Acquired foundational Python programming skills and hands-on coding experience.
  - Certified by Google (Coursera) | Credential ID: [N7WNEDESRQWY](#).

|                                                                                                                                                                                                                                                  |                 |

## AWARDS / ACHIEVEMENTS

### **IEI NMLC-FCRIT Excellence Award for Academic Excellence (Polytechnic – Regional)** **Sep 2024**

Honored under the IEI NMLC-FCRIT Excellence Awards 2024, jointly presented by The Institution of Engineers (India) and Agnel Charities' Fr. C. Rodrigues Institute of Technology, Vashi, for exceptional academic performance at Agnel Polytechnic, Vashi, Navi Mumbai.

### **Winner of Technothon 2024 National Level Technical Paper Presentation** **Apr 2024**

First Prize for [Biometrics RFID Identification System Research Paper](#) organized at Anantrao Pawar College of Engineering and Research, Pune

### **Winner of Technovation 2024 State Level Technical Paper Presentation** **Mar 2024**

Third Prize for [Biometrics RFID Identification System Research Paper](#) organized at Vivekanand Education Society's Polytechnic, Mumbai.

### **Winner of Technocrat 2024 State Level Technical Paper Presentation** **Mar 2024**

First Prize for [Biometrics RFID Identification System Research Paper](#) organized at Father Agnel Polytechnic, Vashi.

### **Winner of Wings 2024 State Level Technical Paper Presentation** **Feb 2024**

First Prize for [Biometrics RFID Identification System Research Paper](#) organized at Shivajirao S. Jondhle Polytechnic, Asangaon, Thane.

### **Winner of Tantra Utsav 2024 Technical Paper Presentation** **Feb 2024**

First Prize for [Biometrics RFID Identification System Research Paper](#) organized at Thakur Polytechnic, Kandivali.

### **Winner of Maharashtra State Board of Technical Education State Level Technical Paper Presentation** **Jan 2024**

First Prize for the [Biometrics RFID Identification System Research Paper](#) organized at St. Xavier's Technical Institute, Mahim, Mumbai.

### **Assistant General Secretary - Student Council** **2022-2023**

Demonstrated strong leadership and organizational skills as Assistant General Secretary, successfully fulfilling responsibilities with dedication and commitment at Father Agnel Polytechnic, Navi Mumbai.

# PROJECTS

## **PaperGen – AI-Integrated Platform for Dynamic Learning Material Creation.**

- Developed a Flask-based web application to auto-generate quizzes, mini-project ideas, and presentation topics from syllabus files.
- Built a responsive, two-step UI using HTML, CSS, JavaScript, and Bootstrap with smooth transitions and real-time loading feedback.
- Integrated Gemini 1.5 Flash API for AI-driven content generation tailored to syllabus context.
- Used PyPDF2 and pdfplumber to extract and process text from PDF and TXT files for analysis

## **Biometrics RFID Identification System - Technical Research Paper**

- Developed an advanced identification system integrating Fingerprint Biometric System with RFID cards for real-time authentication.
- Designed an automated attendance system that monitors, manages, and records student attendance efficiently.
- Enabled mobile application access for administrators to track and manage attendance remotely.
- Addressed challenges related to time consumption, manual paperwork, and authentication accuracy

## **Brain Computer Interfacing: Techniques and Challenges - Technical Review Paper**

- Provided an in-depth overview of Brain-Computer Interface (BCI) technology for beginners and researchers.
- Analyzed the evolution of BCI systems, their methodologies, and innovations over time.
- Examined key challenges and solutions in BCI development, highlighting real-world applications and advancements.

## **With You - A Therapy Web Application**

- Developed "With You", a comprehensive mental health platform using Bubble.io, integrating multiple interactive features.
- Designed a customizable user profile system and a LinkedIn-like platform for therapists to enhance engagement.
- Implemented a Twitter-style social feed, Telegram-like group chats, and peer-to-peer messaging for community interaction.
- Integrated features such as licensed therapist booking, audio support, mental exercises, and book recommendations to promote holistic well-being.
- Engineered the platform with the potential for Android and iOS app deployment for broader accessibility.

## **HiKi - Hisaab Kitaab: An Expense Planner – UI-UX Design**

- Designed an intuitive and modern UI for seamless expense tracking and financial management.
- Created a dynamic calendar interface for users to record transactions, set reminders, and track upcoming expenses.
- Developed an interactive transaction history dashboard displaying daily spending trends and insights.
- Engineered a bank accounts management module to add, monitor, and remove financial accounts efficiently.

## **Grocery Shopping Website**

- Designed and developed a fully functional e-commerce platform for groceries, vegetables, fruits, dairy, and essential household products.
- Implemented a user-friendly shopping experience with an intuitive buying and payment module.
- Utilized HTML5 & CSS3 to create a responsive and visually appealing design.
- Led a cross-functional development team, overseeing project execution, feature integration, and workflow optimization.
